To The Secretary to the Government of Madras

Law(Education) Department.

Sir,

I have the honour to request that in the circumstances explained below, you will be so good as to obtain the sanction of Government for the employment of a Demonstrator on Rs.65/- per mensem in the Government College,Mangalore, with effect from 1-9-1926.

2. The Principal of the College reports that the present strength of the Intermediate classes in Groups I and II totals 156 as against 126 last year and that it is found difficult for the Assistant lecturers in Physics and Chemistry to supervise adequately the practical work of the students in the two laboratories even with the existing

existing practice of two students working together at one experiment. The Principal further states that the Physics and Chemistry Assistant Lecturers are now each allotted 13 periods of work a week, in addition to the correction of 156 observation and record books of the students, and that additional assistance is necessary to carry on the Science work of the college efficiently.

I consider that in view of the increased numbers on the rolls in the Science classes of the college, additional assistance is essential for effective tuition and supervision, and therefore recommend the employment of a Demonstrator.

3. The extra expenditure in the current year can be met from the anticipated savings under 31 A b Education University- Government Arts colleges (i) Men- Pay of Establishments voted- Temporary in the Civil Budget Estimate for 1926- 27, to which it is debitable.

4. I request the favour of very early orders of Government on this communication.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction

Subject Employment of a demonstrator in the Govt College, Mangalore.

c.f.

In the circumstances explained by the Director, the necessity for the employment of a demonstrator in the Govt College, Mangalore, may be accepted. The posts of demonstrator in Govt colleges are on a temporary footing and the Director sanctions their continuance from year to year without reference to the Govt.

Vide notes on p. 4 of Govt No. 1348 / 15.7.26 (W)

~~where~~ ~~once~~ ~~two~~ initial employment is sanctioned by Govt.

The Finance Dept has held, in a similar case, that a proposal for the continued employment of a demonstrator should be placed before the Finance Committee.

p. 6 of Govt No. 1348 & 15.7.26 (W)

2 The Director requests sanction to the employment of the demonstrator with effect from the 1st September 1926. There is hardly time to place the proposal before the Finance Committee. As in the case of the Coimbatore College.

The extra cost involved in the proposal for the employment of a temporary demonstrator on Rs 65 p.m. in the Govt. College, Mangalore from 1-9-26 till the end of the current year works out to Rs 455. The case may perhaps be held to fall under the exception in para 4 (a) (ii) in G.O. No 6. dated 25-8-26. and no reference to the Finance Committee seems necessary. The proposal for the further continuance of the post will be placed before the Finance Committee as a Part II scheme for 1927-28.

2 The draft order may be accepted.
